

PRIME MINISTER

CANBERRA

14 OCT 1994

Best wishes to everyone associated with the Prime Minister's Cup being staged this weekend at the Diggers' Memorial Bowling Club in Rockhampton.

Not only are lawn bowls a key part of Australian sporting life, they are also a part of our national culture.

I am sure the Men's Fours will produce some healthy competition and a strong sense of camaraderie.

To those participating in the tournament, all the best and congratulations in advance to the winners.

I hope you all have a great weekend.
